

18th INTERNATIONAL CONGRESS ON RHEOLOGY

The Brazilian Society of Rheology invites you to participate in the 18th International Congress on Rheology, which will take place in Windsor Barra Hotel, Rio de Janeiro, Brazil from August 2 to August 7, 2020. The Congress convenes every four years and brings together the world's leading rheologists to present the latest advances and developments in this field.

IMPORTANT DATES

January 30: Deadline for abstract submission (oral presentations)

February 15: Notification of abstract acceptance (oral presentations)

March 15: Early Bird Registration closes.

March 30: Deadline for abstract submission (poster presentations)

April 15: Notification of abstract acceptance (poster presentations)

May 10: Registration deadline for presenting authors

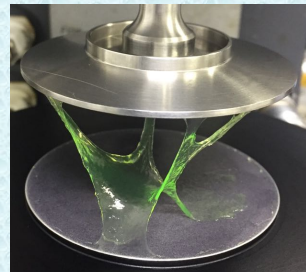

August 1-2: Short-courses

TECHNICAL PROGRAM

Experimental methods and progress on rheometry
Interfacial rheology, confined flows and microfluidics
Non-Newtonian fluid mechanics, flow instabilities and shear banding
Self-assembling systems, polyelectrolytes and biomaterials
Colloids, suspensions and granular media
Emulsions, foams, foods and cosmetics
Polymers solutions, melts and blends
Composites and multiphase systems
Rheology of solids, gels, and time-dependent materials
Flow and rheology in biological systems
Rheology of living and active systems
Industrial rheology and processing
Poster session

PLENARY LECTURES

Nicolas Roussel (IFSTTAR, France)
Suzanne Fielding (Durham Un., UK)
Amy Shen (Okinawa Inst of Sci & Tech Japan)
Charles Schroeder (U. Illinois at Urbana-Champaign, USA)

SHORT COURSES

Prof. G. Fuller (Interfacial Rheology and Fluid Mechanics)
Prof. Chris Macosko (Rheology of Polymers, Blends, and Nanocomposites)
